

SERVICE AGREEMENT

Effective Date: May 29, 2026

1. THE PARTIES

This Service Agreement (the "Agreement") is entered into by and between **Acme Corp**, hereinafter referred to as the "Client", and **Globex Innovations**, hereinafter referred to as the "Service Provider".

2. SCOPE OF SERVICES

The Service Provider agrees to deliver software architecture testing and API endpoint validation services as requested by the Client. This includes generating and uploading test documents to verify system processing, validation, and storage functionality on the Client's servers.

3. PAYMENT TERMS

The Client agrees to compensate the Service Provider at a standard rate for the testing phase. Payment shall be due within net 30 days upon the successful completion of the API endpoint verification and receipt of the final invoice.

4. CONFIDENTIALITY

Both parties agree to keep all data, structural information, and intellectual property shared during this testing phase strictly confidential. No dummy data shall contain real Personal Identifiable Information (PII).

5. TERM AND TERMINATION

This Agreement shall commence on the Effective Date and remain active until the testing phase is formally concluded. Either party reserves the right to terminate this Agreement with a 7-day written notice.
